John Cooper Garages is constantly seeking ways to improve the specification, design and production of its accessories, and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications. Nor does it constitute as an offer for sale of any particular car or accessory. Distributors and dealers are not agents for John Cooper Garages, and have absolutely no authority to bind John Cooper Garages by any express or implied undertaking or representation.
